Socio- Economic Encasement
and Development

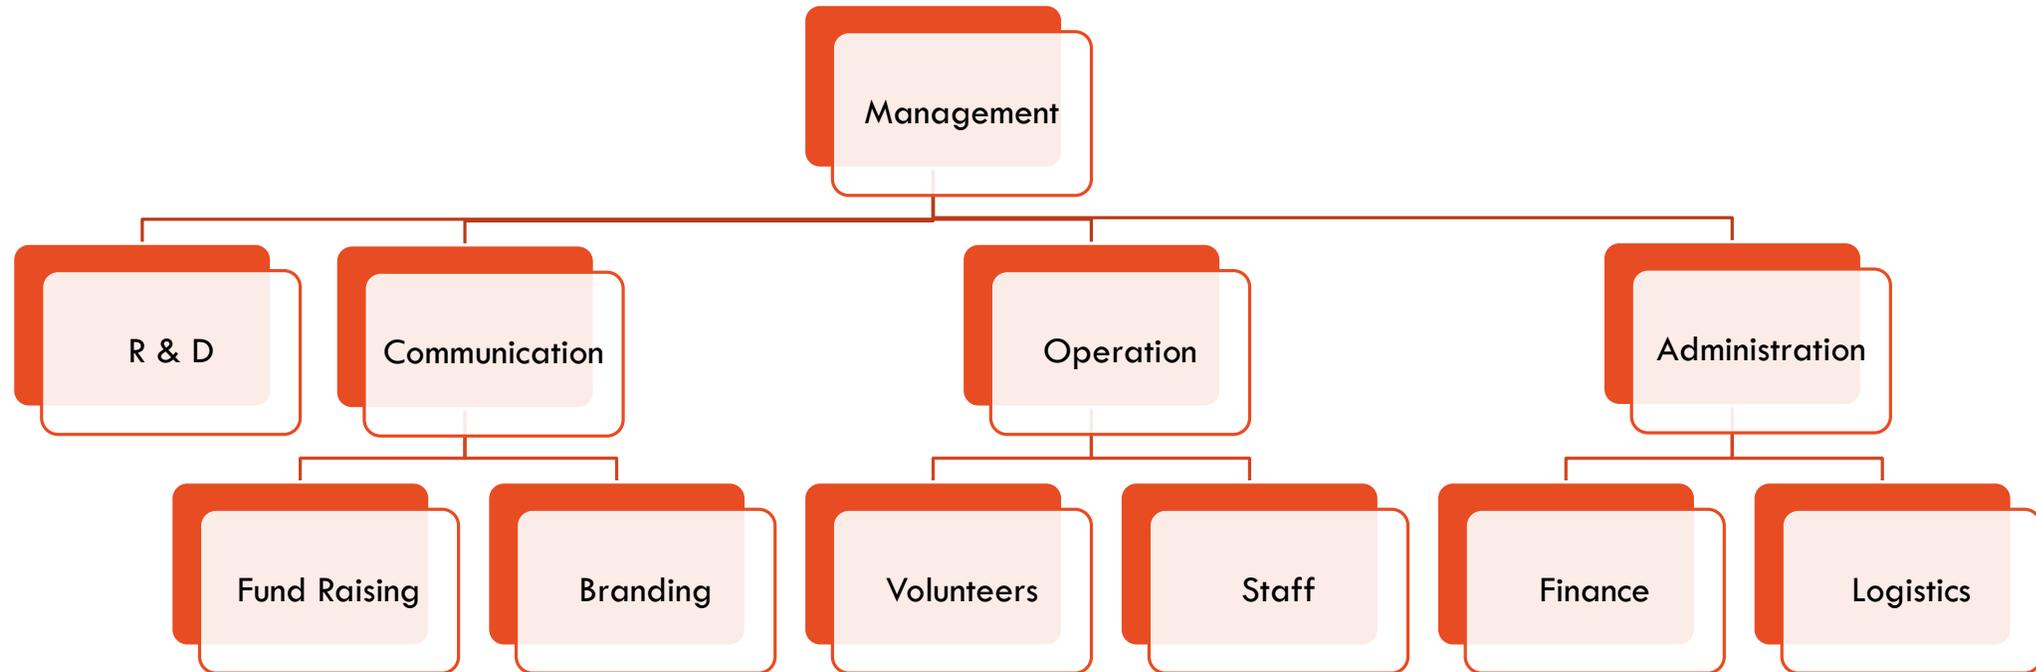

SEED

A Volunteering based organization based in Tripoli, North Lebanon. Founded in 2014 by a group of civil society activists from different backgrounds and different country each enthusiastic about activism and development.

MISSION: SEED is dedicated to investing in Lebanese civil society development by creating a dynamic platform which unites all efforts. We encourage volunteering; foster economic and social engagement; empower individuals; and support cultural initiatives.

VISION: SEED aspires to create an active civil society union in Tripoli and in Lebanon. We want to mobilise all members of society, from all backgrounds, to cooperate to create a cohesive response to the crisis we are witnessing in Lebanon.
